

## **CHANGFENG ENERGY INC. INTRODUCES SANYA INTERNATIONAL ENERGY FORUM (SIEF)**

**Toronto, Ontario, November 20, 2017** – Changfeng Energy Inc., (TSXV: CFY) (“Changfeng” or “the Company”), an energy provider in China, announces that on December 6-8<sup>th</sup>, 2017, the premier Sanya International Energy Forum (SIEF) co-hosted by China Association of Policy Science, China Petroleum and Chemical Industry Federation, and Changfeng will be held in Sanya, Hainan, China. The Chinese National Energy Administration, Hainan Provincial National Development and Reform Commission, and the municipal Sanya government have also given their full support in creating the Forum.

The 2017 Forum with the theme of Diversified Green Energy Development under “The Belt and Road” initiative, will cover clean energy topics such as natural gas, biomass, hydrogen energy, etc. More than 200 attendants from government, domestic and foreign enterprises and universities will congregate at the forum to share visionary perspectives on energy. Corporate and academia attendants to the Forum includes representatives from the Sinopec Group, CNPC, Mitsubishi Chemical, the EDF Group, China Overseas Holdings Limited, Shell, Tsinghua University, University of Waterloo, etc.

Huajun Lin, the Company’s CEO and Chairman of the Board states that “In co-founding the Sanya International Forum, Changfeng has gained a wider access domestically and globally in terms of potential strategic partners. I look forward to the Forum and believe that this will help accelerate Changfeng’s strategic shift into sustainable energy.”

### **Forward-Looking Statements**

Information set forth in this news release may involve forward-looking statements under applicable securities laws. The forward-looking statements contained herein are expressly qualified in their entirety by this cautionary statement. The forward-looking statements included in this document are made as of the date of this document and the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation. Although Management believes that the expectations represented in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. This news release does not constitute an offer to sell or solicitation of an offer to buy any of the securities described herein and accordingly undue reliance should not be put on such.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
