

Changfeng Announces New Director

Toronto, Ontario, January 15, 2018 – Changfeng Energy Inc. (TSXV: CFY) (“Changfeng” or the “Company”), an energy provider in China, is pleased to announce that Ann Siyin Lin, Changfeng’s VP of Corporate Development and Corporate Secretary, has been appointed by the Board of Directors as a new Director of the Board. Ann has been with the Company since 2006.

About Changfeng Energy Inc.

Changfeng Energy Inc. is a Canadian public company currently traded on the Toronto Venture Exchange (“TSX-V”) under the stock symbol “CFY”. It is an integrated energy provider and natural gas distribution company (or natural gas utility) in the People’s Republic of China. Changfeng strives to combine leading clean energy technology with natural gas usage to provide sustainable energy to its customer base in the PRC. In 2009, Changfeng was recognized as being one of China’s the Top Ten Most Influential Brands in the Natural Gas Industry.
