

## **Changfeng Announces Partnership with Guangdong Natural Gas Grid Co., Ltd. and Visit of Canadian Ambassador at the Sanya Office.**

**Toronto, Ontario, April 30, 2018** – Changfeng Energy Inc., (TSXV: CFY) (“Changfeng” or the “Company”), an energy service provider in China, is pleased to announce the following:

### **Guangdong Natural Gas Grid Co., Ltd. Partnership**

Changfeng and Guangdong Natural Gas Grid Co., Ltd. (“Guangdong Grid”) signed a memorandum of understanding in April 2018 to jointly pursue natural gas pipeline projects in the Guangdong Province, the PRC. According to the Chinese government’s 13<sup>th</sup> five-year plan, Guangdong Grid must construct the natural gas trunk pipelines for 21 cities in the Guangdong Province and achieve full pipeline coverage by 2020. A task team has been established by Changfeng and Guangdong Grid to finalize the details of the partnership with the intention of creating a joint venture for the development, investment, and operation of city natural gas projects in the Guangdong Province.

### **Canadian Ambassador Visits Sanya Office**

On April 28<sup>th</sup>, John McCallum, Ambassador of Canada to the PRC visited the Changfeng Sanya office. Mr. McCallum expressed gratitude for Changfeng’s efforts in clean technology and contributions in the Canadian community, including Changfeng’s donations in the Fort McMurray incident.

*John McCallum, Ambassador of Canada to the PRC and Huajun Lin, Chairman of Changfeng Energy Inc.*

### **Guangdong Natural Gas Grid Co., Ltd.**

Guangdong Grid was established in March 21, 2008, in Guangdong Province, the PRC. Guangdong Grid is a joint venture of the China National Offshore Oil Corporation, the

Sinopec Group, PetroChina Company Limited and the Guangdong Yudean Group Co., Ltd., with a registered capital of RMB100 million. Guangdong Grid was formed with the purpose of establishing a province wide network of natural gas trunk pipelines by 2020. The Guangdong pipeline network is more than 3,100km in length, with a total planned investment of RMB470 billion. The reach of the Guangdong pipeline network includes the Pearl River Delta, eastern Guangdong, northern Guangdong, and the four regional Western Guangdong pipe networks to cover 21 cities in the Guangdong Province over the city-level natural gas distribution network, reaching annual gas transmission capacity of 60 billion cubic meters.

### **Forward-Looking Statements**

Certain statements contained in this news release constitute forward-looking statements and forward-looking information (collectively, “**Forward-Looking Statements**”). All statements, other than statements of historical fact, included or incorporated by reference in this document are Forward-Looking Statements, including statements regarding activities, events or developments that the Company expects or anticipates may occur in the future. These Forward-Looking statements can be identified by the use of forward-looking words such as “will”, “expect”, “intend”, “plan”, “estimate”, “anticipate”, “believe” or “continue” or similar words or the negative thereof. No assurance can be given that the plans, intentions or expectations or assumptions upon which these Forward-Looking Statements are based will prove to be correct and such Forward-Looking Statements included in this news release should not be unduly relied upon.

Although management believes that the expectations represented in such Forward-Looking Statements are reasonable, there can be no assurance that such expectations

will prove to be correct. Such Forward-Looking Statements are not a guarantee of performance and involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements to differ materially from the anticipated results, performance or achievements or developments expressed or implied by such Forward-Looking Statements. These factors include, without limitation, no significant and continuing adverse changes in general economic conditions or conditions in the financial markets. Readers are cautioned that all Forward-Looking Statements involve risks and uncertainties, including those risks and uncertainties detailed in the Corporation's filings with applicable Canadian securities regulatory authorities, copies of which are available at [www.sedar.com](http://www.sedar.com). The Company urges readers to carefully consider those factors.

The Forward-Looking Statements included in this news release are made as of the date of this document and the Company disclaims any intention or obligation to update or revise any Forward-Looking Statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation. This news release does not constitute an offer to sell or solicitation of an offer to buy any of the securities described herein and accordingly undue reliance should not be put on such.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
